

# MUSIC BOOSTERS SCHOLARSHIP APPLICATION

Sponsored by Yorkville Music Boosters  
2010

One of the most important projects the Yorkville Music Boosters undertakes every year is the granting of scholarships to every District #115 music student (completed grades 5<sup>th</sup> through 11<sup>th</sup>) who wishes to attend a summer music camp. In addition, we will also grant scholarships to students who perform in outside ensembles that charge a fee. These types of programs allow students to advance musically and artistically while mingling with other fine arts students from other schools. Camp applications and information about outside ensembles are available from the music directors. Scholarships are given to any student in the amount of ½ the program fee or an amount not exceeding \$100 as booster funds allow. Each student is eligible to receive one scholarship per calendar year. Your private music teacher may have some recommendations for you to aid in your decision. Scholarship funds are not intended to pay for private lessons.

The Yorkville Music Boosters' scholarship application is attached.

## **DEADLINE IS MAY 6.**

Prices of camps vary greatly based on the duration and demand. Some camps offer their own scholarship programs for particular instruments or out-of-state attendees. Please inquire to the camps about additional scholarship information. Please complete the form below and if you need more information, feel free to contact the music directors.

If your camp or program fee has already been paid in full, you are still eligible for this scholarship.
